(3) The state court administrator shall take all necessary steps to cancel a record made by the state court administrator in the national instant criminal background check system if:

(a) The person to whom the record pertains makes a written request to the state court administrator; and

(b) No less than three years before the date of the written request:

ANNOTATION

Certification for involuntary short-term mental health treatment entered by a professional person under § 27-65-107 is not a court order under subsection (1)(c) of this section and a person's information should not be sent to the bureau for forwarding on to the National Instant Criminal Background Check System, which would subject the person to federal firearms prohibitions. *Ray v. People*, 2019 COA 24, 456 P.3d 54.
