

Fingerprinting Instructions for Vendor Management Program Participants

The CBI implemented on September 24, 2018 the Colorado Applicant Background Services (CABS) program in response to Senate Bill 17-189. This bill authorizes, under the management of the CBI, third party vendors to print and submit non-criminal applicant fingerprints to the state.

Applicants are required to pre-enroll and schedule an appointment to have their fingerprints taken and submitted electronically to CBI for processing. To better serve all Colorado citizens, enrollment sites have been strategically placed throughout Colorado.

In the event an applicant resides outside of Colorado or is physically unable to visit an enrollment location, they will submit their fingerprints to our vendor for cardscan conversion processing (see link below for instructions). This process will convert physical fingerprint cards to allow these submissions to be processed electronically utilizing the CABS program.

Fingerprint processing times are typically less than 24 hours for the fingerprint processing; up to an additional week for further screening and authorization into the Vendor Management Program. Please bear in mind that, even if the fingerprint processing is complete, there is still an additional review process conducted by the CBI for enrollment into the program. An applicant to the Vendor Management Program is not considered authorized until the Vendor Administrator receives an email declaring them as such.

In the rare instance that fingerprints are rejected for poor print quality, the applicant will be notified and instructed to reschedule an appointment at no charge.

If your company has elected to set up an invoiced account with the CBI in the past, the CBI will no longer be invoicing you directly. Payment to cover CBI/FBI processing as well as the fingerprint capture fee will be collected by the fingerprint vendor.
