

Colorado Bureau of Investigation

Victim Assistance Program

If you have a loved one who is missing, you are considered a Co-victim of that crime.

Our Victim Advocates are here to offer you support, assistance, compassion and understanding.

WHAT WE CAN DO TO HELP

- Contact the law enforcement agency investigating your case for updates
- Act as your liaison with your investigator or others involved in your loved one's case
- Offer you help in finding the resources you need; including therapy, financial assistance, general support—whatever you might need
- Assist you with getting DNA samples, photos and medical records to NamUs
- Most importantly, we can offer you emotional support, compassion and a caring advocate

**You & Your Loved Ones Are
ALWAYS REMEMBERED**
